Happy Father's Day**

Everyday Commonwealth Catholic Charities helps men become dads through foster care and adoption. We also support dads through individual and family counseling and a variety of learning and personal development opportunities.

We know that a dad's role in a child's life is incomparable. So, to each dad, we gratefully say thank you for all that you do and we wish you a very Happy Father's Day!

Help CCC Support Refugees as they rebuild their lives

Our program focus for the month of June is Refugee Resettlement. Refugees come to the United States with great needs and CCC helps these individuals & families work towards stability as they begin life in a new country. We resettle refugees in Greater Richmond, Roanoke, and Newport News.

Resettlement includes initial housing placement, case management, school enrollment & follow-up, health & language support, and education & employment services. This month, we challenge you to learn more about the Refugee Resettlement Program, to get involved, and to give back.
